City Hall Gym:

City Hall has a gym available for rental use for special occasions and events.

The gym is \$50.00 to rent and \$120.00 deposit.

PSN/SHUT OFF

If you happen to get your water shut-off when it's shut-off time, please do not go on PSN and pay. Please call City Hall and get your balance first because PSN will not have the correct amount to get turned back on and PSN does not notify us when a payment is made. So we will not know right away to turn you back on. So it is important for you to call in to City Hall or come in to pay your bill when you get shut-off to get turned back on. We just want to make sure that if you happen to get shut-off that we get you turned back on ASAP when the payment has been paid. Thank you for your cooperation in this matter.

Also please do not put cash or medicine in the drop box!!!

Newsletter:

Reminder if anyone would like anything in the newsletter please let Crystal Parrott, City Clerk know by email or call her at the office (217) 794-2206. If it is appropriate and approved it will be put in the newsletter.

(217) 794-2206

Email-Water Bills

We have been encouraging everyone to get their water bills emailed to them. You can still have it mailed to you as well but this way, you have two ways of it getting to you. You can have it just mailed or emailed and mailed. Just let us know and we would be happy to set it up for you. Just call the office and Randi or Crystal can help you with this.

MEMORIAL DAY

The City of Maroa is having their annual Memorial Day Ceremony. It will be in front of City Hall at the the Veteran's Memorial.

This will be held on Memorial Day Monday May 26, 2025 at 10 am for anyone who would like to come and join us.

Building Permits & Related Information

In most cases, City permits are required to ensure compliance with building codes, property line setbacks, zoning regulations, and other state and local requirements. Please consider the following information BEFORE beginning any projects:

- Some common projects requiring permits include asphalt or concrete work, structure alterations and additions, new or replacement fencing, swimming pools, solar panels porches, patios and decks, roof repairs or replacement, storage sheds, construction of any new structure, and demolition of any existing structure. Always verify if your project requires a permit prior to beginning any work by contacting City Hall.
- Illinois law requires anyone contracting for roof repair or replacement work to be licensed by the Illinois Department of Financial and Professional Regulation. City permit petitions require contractors to provide necessary licensing information to help protect businesses, homeowners, and neighbors.
- Some projects may require a variance or special use permit to be compliant with the City Code. After a public hearing with the Planning and Zoning Board, a recommendation is submitted to the Maroa City Council for consideration and authorization by ordinance. If the variance or special use is approved, permits can be issued. Due to state regulations regarding publication of notice, this process generally takes 30 to 60 days to complete.
- Many projects require property line markers to be located and exposed for setback verification. If property line markers cannot be located, you must have the parcel surveyed prior to receiving a permit.
- Fillable PDF petitions for permits are available at maroaininois.gov and paper copies are available at City Hall. The petition for a permit must be completed in entirety (including all requested information) and submitted to City Hall for verification and approval. A certificate will only be issued after the petition is approved and associated fees are paid. Work on the project can only begin once a certificate is issued and posted.
- You are required by state law to contact J.U.L.I.E (dial 811) for locating services before proceeding with any excavation. This includes hand digging at any depth. The individual performing the digging MUST be the one to submit a J.U.L.I.E ticket.
- Failure to obtain a building permit prior to work being performed will result in doubled fees, processing delays, and possible fines.
- If you have any questions, please contact City Hall at 217-794-2206.

NEWS FROM MAROA POLICE DEPARTMENT

Greetings Maroa Residents!

The Men and Women of the Maroa Police Department would like to congratulate everyone on making it through yet another Midwest winter!!! The warm weather appears to have arrived (no promises though, it is the Midwest!!).

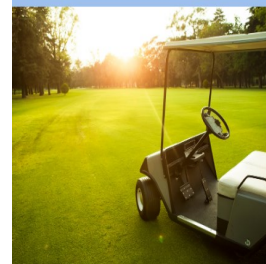

A few important dates to take note of are the upcoming Golf Cart Registrations dates of 5/8/25 from 4 pm to 8 pm, and 5/10/2025 from 9 am to 5 pm. Community Service Officer Ware will be conducting the inspections in the City Hall Gym. The north double doors will be open for business. All of the requirements can be located on the City Hall Official Website, as well as the Police Departments Facebook page. You can also call and request the information. Please note that after May 10th, enforcement will begin.

The Department has fielded several calls/complaints concerning kids on e-bikes, e-scooters and golf carts. As to the kids on golf carts, this one is simple; parents, please just don't allow it. The other matter of the all the "E" vehicles, I want everyone that has called, e-mailed or come to the city council meetings to know this is a much more complicated matter. The City Leadership has heard you and is diligently addressing the matter. There is a lot of information at the state statute level that is being combed through by the council, police department, and the City's General Counsel. Upon the completion of this ordinance/state statute review, we will schedule a public education form so that everyone is provided with the proper information.

With that being said, parents I implore you to talk/teach your children, the most important beings in our city, that they must operate their scooter/E-bikes in a safe manner. They must stop at all stop/yield signs, yield to pedestrians, use arm/hand signals to indicate turns, etc. and above all else be as safe as possible! We also encourage the use of helmets, elbow/knee pads and closed toe shoes. We strongly discourage any distracted riding, yes, believe it or not, we see kids on their cell phones riding all the time!

Thank you very much for everyone's support on these issues!

Respectfully,
Chief Fitzgerald
