WATER

SHUT OFF PSN PAYMENTS

PLEASE READ

If you happen to get your water shut-off when it's shut off time, please do not go on PSN and pay. Please call City Hall and get your balance first because PSN will not have the correct amount to get turned back on and PSN does not notify us when a payment is made. So we will not know right away to turn you back on. So it is important for you to call in to City Hall or come in to pay your bill when you get shut-off to get turned back on. We just want to make sure that if you happen to get shut-off that we get you turned back on ASAP when the payment has been paid. There is usually someone that stays late the night of shut-off as well. Thank you for your cooperation in this matter.

Also please do not put cash or medicine in the drop box.
